TECHNICAL EXPERIENCE

Appsmith Design Systems Engineer   JUN 2022 - PRESENT
Migrated Appsmith Design System (ADS) to a stand alone library
Helped identify, solution, and streamline several process inefficiencies
spanning design and development work within the ADS pod.
Reviewed and built components for *ADS 2.0.*
Rewrote large parts of the existing codebase to be compliant with ADS 2.0.
Set up a comprehensive documentation and testing strategy for ADS 2.0.

Various Independent Consultant JAN 2021 - MAY 2022
Helped **Sprinto** set up an internal component library over AntD, refactored
parts of the codebase to be DRY, and updated visual design.
Built *unboxarena.com* for **Unbox Experiences** using React to showcase their
gamified team-based learning environment.
Built *fieldness*, an ecological experience database and platform by **Sultana
Zana**, for an exhibition at *particle.art* in Milan in React and CSS.
Built *digitalid.design* for **CIS** to help disseminate their research.
Helped build performant, data-heavy dashboard components from scratch in
ES6 and React for an ML tooling startup.

Obvious Product Engineer JAN 2019 - JUN 2020
Built a portfolio and blog website prototype using storyblok for *obvious.in*
Helped set up tokens for a design system for a b2b saas HR tech startup.
Built a prototype for Wikimedia using NextJS supporting regional languages
to test certain engagement hypotheses for the Next Billion Readers.
Brought all Lighthouse scores for *uncommon.is* to the 99th percentile.

TALKS GIVEN

Why Desi Deck React India, Goa SEP 2019
Community Conscious React India, Goa SEP 2019
Engaging student communities Google I/O18, California MAY 2018
Overcoming the gender barrier 4CCON, Chennai JAN 2017
Introduction to Python PACE, Mangalore AUG 2016

POSITIONS OF RESPONSIBILITY
Founder **Desi Deck of Dames** JUN 2018 - MAR 2020
Lead **Developer Student Club** SEP 2017 - AUG 2018
Executive Committee **FS Movement Karnataka** DEC 2016 - JAN 2018

TOOLS

Most flavors of React
Semantic HTML
CSS and its variations
ES6/JS/TS
Storybook
*nix + CLI
Git
Figma
Enthusiasm

RECOGNITION

DSC Rep | Google I/O18

Scholar | GHCI 2017

British Parliamentary
Debate | ProVerb 2017

7th Rank Intl | SOF
English Olympiad
